Przeczytaj list Mary. Wskaż, które zdania w tabeli są prawdziwe (V), a które nie (X).

Dear Ann,

How are you? I'm writing to tell you about my new house. It's great! It's in a quiet area near the park. It's only half a mile from my school. There's a beautiful garden in front of it with lots of flowers. My next door neighbours work in the theatre. And their son Mark plays the guitar. He promised to teach me!

My house has got three floors. Downstairs, there is a dining room with a big table and six chairs around it. and a fireplace, a modern kitchen and a bathroom. Upstairs, there are three bedrooms and a study with a bookcase and a computer.

my bedroom is in the attic. I have a big wardrobe now for my clothes. There's a nice carpet on the floor, a single bed, a small desk next to the window and shelves for my favourite CDs and a radio. I bought new curtains. They are yellow so the room looks brighter now. I put some posters on the walls, too. The room is not very big so I have to keep it tidy but I love it. It's wonderful!

Well, that's all for now. Come and visit me as soon as you can! I'll make your favourite cheese salad.

Love,

Mary
